Each application requires 65% less volume than alcohol gels

Our success depends solely on how well we satisfy our customers

From the beginning, in 1948, the No Rinse® goal has been simple – settle for nothing less than 100% customer satisfaction. Satisfied customers fuel our growth and success.

Reduces Bathing Cost

No Rinse® products provide a comfortable alternative to traditional bathing methods. Consumables, labor and the risks inherent to the traditional bathing environment are reduced. Save money without compromising patient comfort.

Beautiful Results

Customers using No Rinse® products for the first time are delighted with the cleanliness and convenience.

Mild & Gentle

Users with the most delicate skin find No Rinse® non-irritating, even with frequent use.

It's So Easy

No Rinse® is ideal for children, travelers and for just about anywhere traditional bathing is difficult or inconvenient.

Our Customers Speak...

"I just tried your No Rinse Shampoo and it is more than good...it is wonderful. I am in a Board and Care facility and I cannot easily get to the shower. I am grateful to you for putting out such a great product and I was amazed to read that the NASA Astronauts use it, too."

– DA (California)

"I recently spent some time in the hospital where No Rinse Body Bath was given to me. I liked it so well I am asking where I may purchase more. It does what it says – cleans, refreshes and leaves no residue."

– P.A.G. (Pennsylvania)

"Thanks again for such a great product that made our life a little easier during this ordeal. I am going to recommend your product to my son's doctor so other parents in our situation can take advantage of its convenience."

– NC (Texas)

"I used your Shampoo and Body Bath this morning on a bedridden patient and the results were marvelous. Such a wonderful way to provide good hygiene to our home health patients."

– RL, RN (Kentucky)
